Baby Caps

Baby caps are included in GHM's Newborn Kits. These kits help Lutheran mission hospitals reach out to women for prenatal care and well-baby checks. Included here are instructions for knitted and crocheted baby caps. For a full list of what is included in a Newborn Kit, visit our website at ghm.org/handsonprojects.

Knitted Baby Cap

1. Use baby yarn or thin soft 3 ply and needles to match yarn.
2. Cast on 68 stitches on 2 needles - **very loosely**.
3. Rib: 2 knit, 2 purl for 12 rows.
4. Continue in stocking stitch until 3.5 inches.
5. Decrease gradually for 1 inch. (Total length of cap 4.5 inches)
6. Pull yarn through remaining stitches, gather and fasten.
7. Sew seam.

Works equally well on four needles, and then you don't have a seam to sew. Also nice if you simply continue in rib for the full length of the cap.

Note: The circumference of a newborn baby's head is approximately 14 inches. As a guide, purchase a 5 inch Styrofoam ball at a craft store. The cap should fit comfortably on the ball.
